

Canal Church of Christ
Congregation Meeting Information
January 28, 2024

Please complete the quick surveys and return them to George or Shayne by next Wednesday. There are additional copies in the foyer if needed.

Visitor/New Member ministry - George and Shayne will ensure all new members/visitors complete a card with contact information and we will utilize follow up program/process with some new member assignments for those who are interested in this ministry. This is an area where we have missed opportunities and need to improve.

Church Directory Update- There is a "Master Directory" in foyer – please review your information and add/edit/delete anything prior to February 17, 2024 – then we will upload a digital copy/link in our Facebook/website to maintain. If you prefer a printed out/paper version just let Derick or Shayne know and we can get you a copy to have after we have it updated.

For future directory updates – please use a membership card/index card and provide the information directly to Derick or Shayne.

Calendar Information - Sherry has put together the congregational birthday and anniversary calendar for us to use and publish – please verify your information. The master copy is in the foyer.

Improvements to our communications via Facebook, telephone, and website are pending. Look for us to try and add a calendar, directory information, and more timely information to both Facebook and our church website. If you are not receiving "Call All" notifications, please let Ben know.

Please make us aware of any shut ins/visitation needs. Ben has a day set aside for any visitation that is needed for us to take advantage of.

If you have prayer requests – please add address and if you are ok if Canal mails out a card/note to the individual we are praying for.

Look for VBS this summer similar to our format last year.

The Williamsons are starting a "Tadploles" group of 5-8 year olds for kid fellowship and growth opportunities – look for the initial event to be held on the Saturday-March 23 of our Dale Jenkins Seminar. It will be for after the morning session and lunch. Kids of all ages welcome-younger kids just need to bring a parent for this event. More details to come and see Seth or Emily for information.

The Dale Jenkins weekend (3/23 & 3/24) will be held at our building and our theme for the weekend is Walking in the Light. Saturday will begin at 9:30 with coffee and donuts. We will end the day Saturday by 2:30. Look for a flyer and schedule on website and facebook within the week.

Other events noted for us during the first part of 2024 are:

February CYC/Tennessee event 2/24 & 2/25

March Dale Jenkins Weekend

March Tadpole Event

April – Movie/Game Night TBD but will be a Friday evening/night in April

May – Church Picnic Month

July Fort Hill Camp Month

July 26-August 3 Pike Co Fair

Summer 2024 - VBS – Much like last year's Sunday format date is TBD
